About NYMEF

The New York Municipal Empowerment Foundation (NYMEF) is dedicated to supporting and strengthening local governments across New York State.

Our Mission

NYMEF empowers localities by investing in the next generation of municipal employees and promoting civic engagement. We do this by:

- Providing educational scholarships to individuals pursuing careers in local government
- Supporting municipal employees seeking professional development opportunities
- Offering grants to towns for community-based projects
- Raising awareness of the vital role local governments and their employees play

Why Sponsor?

Sponsoring this event offers a unique opportunity to:

- Connect directly with municipal decision-makers and leaders
- Showcase your organization's commitment to community and public service
- Increase brand visibility among key stakeholders across New York State
- Support workforce development and the future of Local Government
